CONNECTING WITH NATURE

Halls Outdoor Education has been a premier provider of outdoor education programs for over 20 years. We provide the skill, knowledge and experience to help schools in achieving their objectives by delivering an empowering outdoor experience to their students.

We provide a complete end-to-end consultation service which takes the hard-work out of planning, preparing and delivering an effective outdoor program for your students. Our methodical approach to the inception, development and delivery of new and exciting programs has proven itself time and time again.

Halls Outdoor Education is proud to offer some of the most passionate, highly-skilled and qualified staff in the industry and is driven to provide the most engaging, educational and empowering experience available.

Flexible solutions for your school's needs

PROVIDING AN END TO END SOLUTION

One of the biggest challenges schools face in this day and age is time management. With this in mind we help teaching staff minimise the amount of time they require in preparing for their students experience. We do this by listening to our customer's needs and identifying the objectives and outcomes they desire.

Halls Outdoor Education provides an unsurpassed level of flexibility in both the planning and delivery of our programs. This approach is sewn in to our ethos and allows us to deliver an effective service in search of each student's *"empowering moment"*.

- Serving schools for over 20 years
- Highly qualified, experience & skilled staff
- End-to-end program development
- Flexible approach and delivery

JOURNEY-BASED PROGRAMS

From the sea to the summit, urban to the wilderness and everything in between. We'll work with you on delivering a life-changing experience for your students in some of the most exhilarating locations in the country.

SINGLE-DAY PROGRAMS

Take your students out for a day and teach them how to canoe, bushwalk, rock-climb, abseil, cave or mountain bike in a safe and enjoyable environment. Flexible choice of locations and activities are available.

CAMP PROGRAMS

Your choice of two camp locations, Stringybark Lodge or Wombat Corner Camp, only 40km from the CBD. On-site activities include low-ropes, flying fox, rock-climbing wall. Off-site activities include bushwalking, canoeing, caving, rock-climbing and abseiling in neighbouring Kurth Kiln Park.

All programs and activities are operated by qualified and experienced instructors who are passionate for the great outdoors and youth development.

SCHOOL CAMPS

With numerous school camp locations available, we can help find the most suitable location with the most suitable program for your students. We can then provide a range of on-site and off-site programs based around the needs of your school.

Some stand-out programs include aboriginal cultural learning, ecology & environmental learning and interstate excursions.

Activities included in a typical school camp include flying fox, low ropes, orienteering, rock-climbing, sports plus much more...

YEAR LEVEL PROGRAMS

At Halls we understand that a student's impressionable years are the most important in their development and growth.

With this in mind we work closely with your school to conceive, develop and deliver programs that offer developing students the opportunity to learn in a challenging and rewarding environment.

Whether you're looking for an orientation camp for your year 7 students, or a year 9 adventurous journey we can assist your school with developing and delivering your year level experience.

Program Examples:

- 5 day walk, ride, cave, abseil program in the Dandenongs
- 5-10 day walk, ride, raft, abseil the Thompson River
- 5 day snorkel, walk, enviro-learning in Wilsons Promontory
- 5-7 day service project, rock-journey, walk in the Grampians
- 16 day "Bogong to Beach" - Walk Victoria's highest mountain, ride, raft the Mitchell River, sea kayak to Ninety Mile Beach.
